## Cook Boy Eats 200 Pies

Of course, he took 200 days to do it—but it was something of a feat, nevertheless.

The resisting power of a healthy youngster's stomach is something to marvel at.

But it's nothing to be compared to the resisting power of the American Fence. A million farmers have chosen it of all the fences offered and a million farmers have found it the strongest, springiest, best and longest lasting fence material on the market.

You will find it so, too, if you will find the style and weight best suited to your purpose. And you can do that easily.

D. B. SHACKELFORD & CO.

### Better Prices.

The farmers all over the country are organizing for the purpose of securing better prices for their produce. The figures show, in the city of New York, alone, for instance, that \$60,000,000 was paid last year for potatoes, for which the farmer received only \$4,500,000. Cabbages cost the city people \$9,125,000, while the farmer received but \$1,800,000. Milk cost the city consumer \$19,000,000, and a little less than half that amount found its way into the pocket of the dairyman. For his onions, the consumer in that city paid \$8,212,000, while the farmers who grew them was paid only \$621,000. The farmers are of the opinion that this disparity is entirely too great, and the result is that there are being formed organizations throughout the country near the large cities, for the purpose of selling their produce direct and eliminating the middleman.

### Well, Rather!

The Paris dressmakers most startling contribution to mindy's wardrobe this year is to be a new skirt, very narrow, with a slit at the side, extending well above the knee. A trade announcement here regarding the new skirt says: "If the director stockings, made of silken network with very large meshes, is to be worn with the dress, as it is said, the effect will be striking."

### Favors Farmers.

Users of farm machinery won a victory in Kentucky when the Court of Appeals, Judge Suttle writing, delivered three opinions in cases of the Commonwealth against the International Harvester Company of America, in which it is held that the company is a trust and is selling its products too high in Kentucky. The court holds in these cases that there are no anti-trust laws in Kentucky, and that any company, whether regarded as a trust or not, may do business in Kentucky as long as it does not sell its products at a price greater than its real value or depreciate the prices of its products below the real value.

### VERIFY IT

The Proof is in Richmond Almost at Your Door.

The public statement of a Richmond citizen is in itself strong proof for Richmond people, but confirmation strengthens the evidence.

Here is a Richmond citizen who testified years ago that Doan's Kidney Pills relieved weak kidneys and now states the result was permanent. Can any sufferer from kidney ills ask better proof? You can investigate. The case is right at home.

Mollie Powers, 209 Hallie-Irvine St., Richmond, Ky., says: "Doan's Kidney Pills certainly are good and I gladly confirm the testimonial I gave in 1905 recommending them. They cured me of a severe case of kidney trouble. I suffered almost constantly for seven years from kidney trouble and could not get any relief until I procured a box of Doan's Kidney Pills at Middleton's Drug Store. This remedy quickly corrected my trouble and it has never returned."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
